

CIACCI PICCOLOMINI D'ARAGONA

PRE-SALE: 2015 BRUNELLO DI MONTALCINO

Practically perfect in every way...

The 2015 vintage in Montalcino set the stage for show-stopping wines that are approachable and captivating upon release yet will age beautifully for decades as well.

The growing season in 2015 was ideal, with a wet winter and spring to compensate for intense heat and sun during the summer. There was again some rain in September to refresh the vineyards before the harvest, which took place end of September/early October, allowing grapes to ripen perfectly. **This is undoubtedly one of the best vintages in Montalcino to date!** Wines are dense and rich with structured tannins that melt seamlessly in the mouth, balanced by vivid fruit, fresh acidity and infinite length...*practically perfect.*

The Brunello 2015 wines will officially be released in January 2020, but for a vintage like this, there is already HUGE demand! The opportunity to experience some of the finest wines produced in an exceptional vintage by one of Montalcino's top estates is absolutely not to be missed!

ROSSO DI MONTALCINO 2017

92 pts

Violet, wild-berry and botanical-herb aromas lead the nose on this savory red. The bright juicy palate doles out ripe Marasca cherry, wild blackberry and white pepper set against taut tannins.

ROSSO DI MONTALCINO "ROSSOFONTE" 2016

93 pts

A spicy Rosso di Montalcino that shows more glazed cherries and rose petals than most, as well as some delicious cinnamon and spices. Medium body, fine but hearty tannins and a medium-chewy finish. If only more wines from this category were as good as this!

BRUNELLO DI MONTALCINO 2015

98 pts

Extremely perfumed and decadent with dried flowers and spices and fresh mushrooms. Cherries, too. Full body. Solid core of fruit, yet ever so fine tannins. Goes on for minutes. Such beautifully crafted tannins.

BRUNELLO DI MONTALCINO "PIANROSSO" 2015

100 pts

Lots of ripe and rich fruit with a decadent undertone of meat and spice that turns to pure fruit and licorice. Medium to full body, refined tannins and a fresh and bright finish. All about harmony.
