

COTTANERA

COTTANERA

Region: Etna (Sicily), Italy

Owners: Cambria family

Website: www.cottanera.it

Winemaker: Francesco Cambria

WINES:

BARBAZZALE SICILIA BIANCO

a fresh and flavorful wine

Catarratto and a small percentage of Viognier, refined on lees in stainless steel for 3 months.

BARBAZZALE ETNA ROSSO

fresh and aromatic, balanced by good tannins

90% Nerello Mascalese, 10% Nerello Cappuccio, aged on lees in stainless steel for 5 months.

ETNA BIANCO

a fresh wine with citrus notes

100% Carricante, aged in stainless steel for about 6 months followed by bottle ageing.

ETNA BIANCO CONTRADA CALDERARA

a structured wine with distinct minerality

100% Carricante from 45 year-old vineyards. 40% of must ferments and is followed by 12 months ageing on yeasts in French oak tonneaux; the remainder is fermented and aged in cement tanks.

ETNA ROSATO

a rich wine with floral perfumes

100% Nerello Mascalese, temperature-controlled (<4°C) criomaceration in press to achieve perfect color extraction. Aged in stainless steel on lees, with frequent stirring.

ETNA ROSSO DICIASSETTESALME

a wine of great structure and complexity

100% Nerello Mascalese, temperature-controlled maceration on the skins followed by fermentation in stainless steel. Malolactic fermentation in French oak barrels and 8 months ageing in large oak barrels.

ETNA ROSSO FEUDO DI MEZZO

dense tannins make this wine exceptional for ageing

100% Nerello Mascalese from 25-30 year-old vines. Temperature-controlled maceration on the skins followed by fermentation in stainless steel. Malolactic fermentation in French oak barrels followed by 14-16 months in French oak casks and 18 months in bottle.

ETNA ROSSO RISERVA ZOTTORINOTO

this elegant wine expresses the unique character of the Cru

100% Nerello Mascalese from the estate's oldest (60 years) vines. Temperature-controlled maceration on the skins followed by fermentation in stainless steel. Malolactic fermentation in French oak barrels followed by 24 months in French oak barrels and 24 months in bottle.
