## WINES:

---

### PINOT GRIGIO COLLIO DOC

*an excellent, fruit-driven expression of Pinot Grigio, its fresh acidity makes this wine an ideal pairing for a variety of foods.*

100% Pinot Grigio, fermentation in temperature-controlled stainless steel.

### FRIULANO COLLIO DOC

*made from Friuli's most important grape variety, an intense and fruity white with distinct varietal notes of citrus, pear and almond and classic Collio minerality*

100% Tocai Friulano, fermentation and aging in stainless steel tanks with partial malolactic fermentation in used oak barriques.

### SAUVIGNON BLANC COLLIO DOC

*a particularly versatile wine that beautifully displays the particular characteristics of its terroir; intense fruit and floral aromas are paired with a full body and brisk acidity*

100% Sauvignon (4 clones), fermentation and aging in stainless steel tanks with partial malolactic fermentation in used oak barriques.

### RIBOLA GIALLA COLLIO DOC

*an exceptional example of the powerful and complex white wines of the Cormòns area with a rich aromatic and flavor profile and impeccable balance and precision*

100% Ribolla Gialla, fermentation and aging in stainless steel.

### MALVASIA COLLIO DOC

*a characteristic wine expressing typical varietal traits; stone fruit blends with citrus flowers and a hint of aromatic herbs and mineral undertones*

100% Malvasia Istriana, temperature-controlled fermentation in stainless steel tanks followed by partial malolactic fermentation, refined for several months in stainless steel vats.

### FOSARIN COLLIO DOC

*a blend of roughly equal parts Pinot Bianco and Friulano with 20% Malvasia Istriana; this wine encompasses all the finest characteristics of its territory of origin, Friuli in a glass*

40% Tocai Friulano, 20% Malvasia Istriana, 40% Pinot Bianco; Pinot Bianco is fermented and aged several months in used barriques, while Friulano and Malvasia ferments and ages briefly in stainless steel.

### **CJARANDON RISERVA COLLIO DOC**

*a "Super Friulian" blend of Merlot, Cabernet Sauvignon and Cabernet Franc released only in the best vintages for Collio reds; intense and persistent with bright, juicy fruit and soft tannins*

60% Merlot, 30% Cabernet Sauvignon, 10% Cabernet Franc; refines 24 months in Allier barriques (60% new, 40% second use) plus an additional 24 months in bottle.
