WINES:

Aglianico Irpinia – *a rich and intense, yet approachable, red Campania wine boasting a complex array of aromas and a full body*

100% Aglianico, 12 months in French oak barriques and tonneaux followed by 12 months in bottle.

Fiano di Avellino – *a true expression of territory, this typical Southern Italian white is pure, fresh and juicy with great length and outstanding acidity*

100% Fiano, 10 months in stainless steel tanks plus minimum 3/4 months in bottle before release.

Taurasi Aurelia – *a complex, well-balanced wine that reveals a true expression of territory; linear tannins and spicy/smoky mineral notes suggest this wine's exceptional aging potential*
