

# CLIC

## CABERNET SAUVIGNON

### VENEZIA GIULIA IGT

Enrico Coser, young gun winemaker from Ronco dei Tassi, created Clic to introduce a new generation to the delights of the grapes and wines of Friuli. The name Clic, in Friulan dialect, means ‘a small glass of wine shared with friends’ – exactly what the wines are intended for. Great value wines with ‘drinkability’, bottled under screwcap with decidedly modern packaging. The fruit is sourced from their own vineyards and from neighboring growers in both Collio and Isonzo. The grapes are picked early to maintain varietal freshness and keep the alcohol low.
